KSB Hospital is pleased to offer you the services of the KSB Center for Diabetes Management, a Comprehensive Clinic that provides diabetes education and management services to patients with all types of diabetes. Our clinic includes Certified Diabetic Educator's as well as a Registered Dietitian, Pharmacist, and several other nurse educators.

We request that you bring the following with you on your first appointment with the Center:

1. Any medications, vitamins, and supplements you currently take
2. Patient information form (please answer as many of the questions as you can; having as much of this information as possible when you arrive helps us to spend more of your visit focusing on ways to help you improve your health)
3. Your insurance card (if you have healthcare insurance)

Do to the length of appointments we do ask that no children be present unless the patient is a child. Also, if your appointment is scheduled around one of your meal times, please eat prior to appointment.

If you have any questions or need to reschedule your appointment, please contact our office at 285-5973. The Center is open Monday through Thursday 8:00 a.m. to 3:30 p.m. We are closed on Fridays. If you are unable to keep your appointment for any reason, please notify our office as soon as possible so we can make this time available to another patient.

We look forward to working with you to improve your health and live life to the fullest.

Sincerely,

KSB Center for Diabetes Management
