

FINANCIAL ASSISTANCE APPLICATION APPROVAL PROCESS

Once all required information is received by the KSB Financial Advocate, applications are then filed until reviewed. Financial Assistance Application reviews take place twice a month, in which the hospital board reviews all information provided, upon approval or denial the patient will receive a letter 2-3 weeks after the application has been reviewed. Please note that your financial assistance application will not go up for review until all required information is provided by the patient, and received by the financial advocate, otherwise application will be held for the next following review(s).
