

## NOW HIRING: Compassionate CNAs

### AT KSB, IT TAKES A TEAM...

to ensure our patients receive amazing care. As a CNA at KSB you'll be a member of the care team that is making a difference for your patients, while enjoying the opportunity to work in a variety of departments, flexible scheduling, competitive wages, and support for continued education and career growth.

### WHY BECOME A CNA AT KSB?

- Work at the top of your Certification
- Nurse/CNA teams co-manage patient load
- Flexible schedules for High School and Nursing Students
- 4:6 CNA to Patient ratio
- Average tenure for a KSB CNA is 4 years

#### Tuition Reimbursement:

- Up to \$5,000, including CNA to LPN or RN
- Up to \$15,000 for RN to BSN

*"I work at KSB because of the amazing staff. We work together as a team and everyone helps each other, regardless of their title. I also love caring for my patients, and I am honored by the trust they instill in me."*

*"I worked at KSB as a CNA while attending Nursing school. The transition from CNA to RN has been smooth because I was already familiar with KSB and the staff. We have great learning environment and my trainers have really help reduce the anxiety of being a new grad."*

***JOB POSTING******Nurse Extern***

8 week summer assignment - begins in June (48 hours bi-weekly)  
with variable shifts @ \$15.00 per hour

The Nurse Extern program, in collaboration with Sauk Valley Community College nursing course, NRS051 - Integration to Nursing Practice, will provide nursing students with an opportunity to work directly with mentoring RNs, facilitating the student's ability to experience real-world patient care. Nurse Externs will gain skills in patient assessment, prioritization, team collaboration, and provision of care within their scope.

**Externs will rotate through the various Nursing Units including, but not limited to;**

- |                         |                     |
